

(This document has been PAGE SEPARATED to allow printing by "Page Numbers" or "Current Page" to limit printing to your own club entries. All the information you will need to supply for withdrawals is contained in this document.

Thank you for all your entries! Unfortunately our October L1 Meet 2017 has been oversubscribed this year.

Details of the unavoidable 186 rejections are included in a separate document. We have worked hard to ensure rejections have been kept to an absolute minimum and that we make maximum use of the permitted time. Consequently the morning sessions will be approximately FOUR hours duration with a 10 minute mid session break. Afternoon sessions will both be under three and a half hours with 10 minute mid session breaks. **A full timeline will be published online ASAP.**

It is therefore absolutely ESSENTIAL that withdrawals are reported BEFORE startlist preparation in order to minimise session lengths. There will be an online form available in order to make this as easy as possible – or just send an email to meets@novacenturion.co.uk.

All lanes in events where withdrawals have been necessary have been filled. There is NO scope for further additions and requests to be considered as a reserve, pending late withdrawals, will be declined. Subsequent withdrawals will NOT be replaced.

SUBMITTED entries have been published online as they were received and could/should have been checked prior to the meet closing date. We are really sorry, but it is too late to change your mind now!

NB Meet condition 14 states "Refunds will only be considered for withdrawals prior to the closing date (which has now passed), or in the case of a bona fide medical problem for which evidence may be requested".
